

THE TRAGEDY OF MACBETH

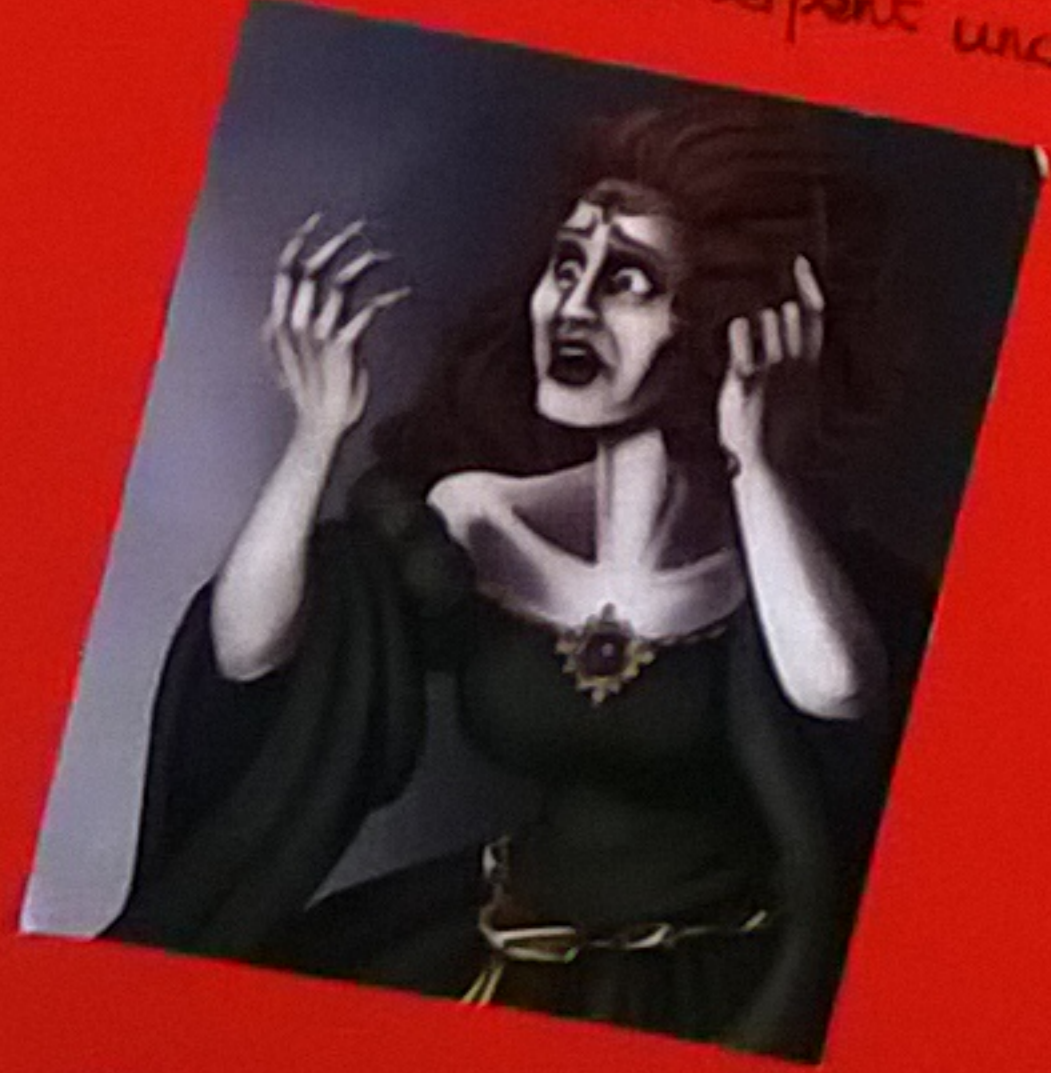

What are you willing to do
to get what you want?

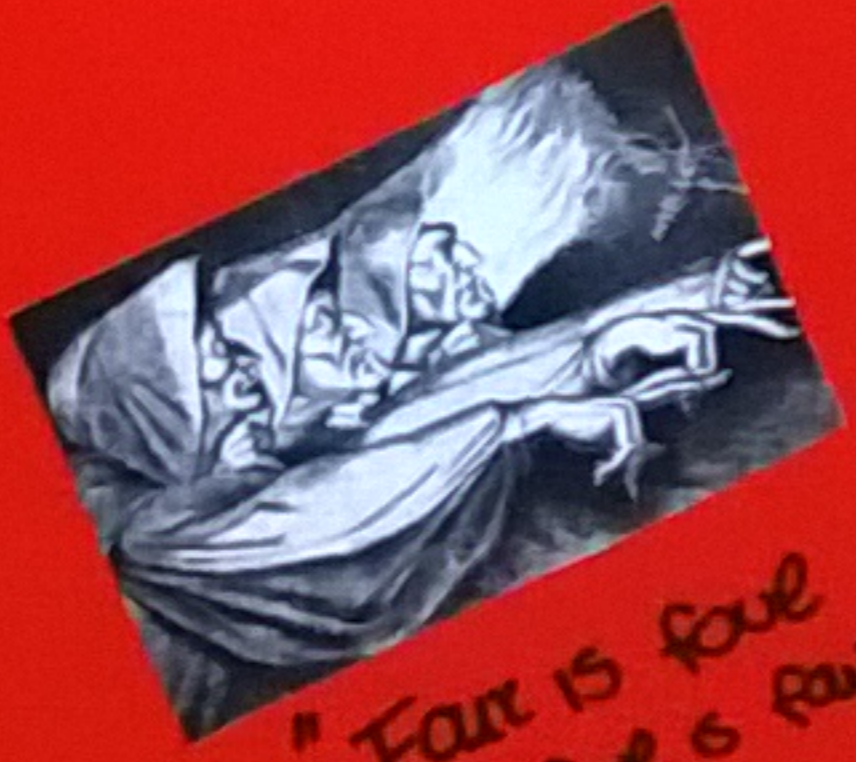

"There's daggers in
men's smiles; the nearer
in blood, the nearer deadly."

"Double, double toil and
trouble, fire burn and
candlestick."

"Look like the innocent flower,
but be the serpent under't."

"Fair is foul
and foul is fair."

What, will these
hands ne'er be
clean?

BLOOD WILL HAVE BLOOD
